LEAGUE REBATE PROGRAM

TERMS AND CONDITIONS

The Big 5 Sporting Goods League Rebate Program (the "Program") is subject to the following Terms and Conditions:

- After an organization registers for the Program and is approved by Big 5 to participate in the Program, it becomes a "Participating Organization."

- Participating Organizations will be assigned an identification number and will receive rebate flyers containing such identification number to distribute to the Participating Organization's supporters. Neither the rebate flyers nor the identification number may be distributed in or near a Big 5 store, but otherwise can be reproduced and distributed in any reasonable manner.

- The rebate flyers and identification numbers will be valid for a specified period of time to be determined by Big 5 (the "Rebate Earning Period").

- If a supporter makes a purchase at a Big 5 Sporting Goods store during the Rebate Earning Period and provides the attending Big 5 cashier with the Participating Organization's rebate flyer or identification number and the cashier enters the same into the point of sale software, then five percent (5%) of the purchased amount (excluding sales tax, hunting and fishing licenses, gift cards and any item that is specially priced for the Participating Organization) shall be credited to the Participating Organization. Big 5 is not obligated to credit the Participating Organization for transactions that are not properly attributed to the Participating Organization as described above. Furthermore, in the event that Big 5 believes that the Program Terms and Conditions are not fully complied with or if Big 5 believes that there is an error or discrepancy in the accounting for the Participating Organization, Big 5 reserves the right to estimate the credit due to the Participating Organization based on all relevant factors.

- Following the expiration of the Rebate Earning Period (and typically within 30 days), Big 5 will issue the Participating Organization a rebate check in the amount of 5 percent (5%) of the total qualifying sales attributable to the Participating Organization as described above. Big 5 reserves the right to withhold all or any portion of such rebate if Big 5 determines that the Program Terms and Conditions are not fully complied with.

- If a supporter returns a purchased item and the Participating Organization has already received the applicable rebate check reflecting such purchase, then the return may be subject to a five percent (5%) reduction.

- Big 5 may change any aspect of the Program at any time without any notice to Participating Organizations or to supporters. Such change may include discontinuing the Program altogether or disqualifying any Participating Organization.
